“With Dedication and Persistence, no goal is unachievable.”

Vishveshwarya Group of Institutions is proud to announce the conclusion of its final placement process with given placement figures. The institute witnessed participation of multitude of companies across varied domains. Our corporate visitors were delighted to see the enthusiasm and zeal students exuded in the placement process, which was evident in their positive feedback. A total of about 56 companies participated in the placement processes, being organized as On Campus Job Fairs. The students at AIMS have undergone a dedicated training program through VGI Career Diagnostic Centre to hone their soft skills, functional skills and were provided career counselling by some of the corporate leaders which has helped them in

identifying and positioning themselves better vis-à-vis the career opportunities provided through On-campus placements.

Placements for this year highlights positive trends both in terms of compensation as well as quality of profiles offered. The varied roles offered include the following- Software Developer, Telecom, Embedded Systems, Business Consultant, B2B & B2C Marketing, Team Leader, HR consultant, and the like. Students also work offline on internships lasting from 2 -8 weeks, also known as Live Projects, which make them more employable and Industry ready. Regarding placements and Internships, firms such as HCL, Satyam Software, Smart Shore, Optra Automation, Trinity Global Tech, Excitel Broadband and others have appreciated the quality of engineering and management graduates that VGI produces.

On behalf of entire VGI fraternity, I would like to extend heartfelt gratitude to our recruiters and wish for an ever stronger relationship with their organization. I would also like to thank our eminent alumni for establishing and strengthening our corporate relations year on year. Without their invaluable support, this feat could not have been achieved.

Prof. (Dr.) Bharti Kalia
