ABOUT THE **VISHVESHWARYA** GROUP OF INSTITUTIONS

One of the largest educational groups with 65 acres of lush green, fully wi-fi residential campus. It is not just an institution but an education hub to cater to the needs of society. A confluence of contemporary academics with Indian values & ethics . An integration of education with the global industry. A cohesion of inquisitiveness with constructive research that's what makes us special. We are among the best engineering colleges in Greater Noida.

Vishveshwarya Group of Institutions offers undergraduate and postgraduate programs in the areas of Technology, Pharmacy, Allied Health Sciences, Management, Law & Fashion Technology. In pursuance of the New Education Policy by the Government of India, the institute is working for expansion and diversification of its academic horizon and, most importantly, is committed to vertical and horizontal integration among academic disciplines. We are committed to imparting state-of-the art skills to the students through our skilling schemes like Dakshata, DID, and Peer to Peer.

Vishveshwarya has also designed an industry/training integrated flagship program, Employability, along with ethics and sincerity building team activities, where the students are taken care of by national & international industries. Hence, assuring 100% placement as well as entrepreneurship with a very respectable annual package.

Communication,
MBA (Finance) | LL.B

Welcome to our esteemed institution, where academic excellence meets real-world readiness. VGI understands that your ultimate goal is not only to gain knowledge but also to secure a promising and fulfilling career. As the placement team, we are dedicated to ensuring that your aspirations are realized. Our mission is to bridge the gap between education and employment, ensuring that you are well-prepared to navigate the competitive job market. We work tirelessly to establish strong relationships with leading companies and organizations, both regionally and nationally, to create a robust network of potential employers. Through our meticulously planned placement programs, we provide you with valuable industry insights, internship opportunities, and guidance on developing crucial professional skills.

With great enthusiasm, we extend a warm welcome to you, inviting you to join the VGI family an institution known for its commitment to nurturing future leaders. By choosing VGI, you open the doors to abundant career opportunities and a brighter future. We are excited to embark on this transformative journey together as we shape the next generation of exceptional professionals.

Together, let's forge a path towards a future filled with promising careers and endless possibilities.

CORPORATE RESOURCE CELL (CRC)

Steps that would make students more employable are as follows

1 Career Counselling and Guidance

- Individual career counselling to help students understand their interests, strengths, and goals pertaining to their careers.
- Resume writing workshops, cover letter preparation, and interview techniques.

2 Curriculum Enhancement

- Map academic programs to industry needs and trends
- Infuse practical skills and industry-specific knowledge into the curriculum

3 Internships and Training Program

- Offer internship opportunities and co-op programs for students to actively participate in real-world situations.
- Build partnerships with local business organizations that give students hands-on, applied learning experiences.

4 Career Development Skills

- Run workshops and courses on minimum-requirement skills such as communication, teamwork, problem-solving, and time management.
- Provide online resources and certifications for fields of study.

5 Exploratory Career

- Job shadowing programs to bring the students closer to the knowledge of various professions and career paths
- Encourage your students to find out more about careers through informational interviews and mentoring programs.

6 Job Search Assistance

- Aid in job search preparation with job boards and application tools, interview preparation.
- Assist students in how to utilize social media and online platforms in their job search.

7 Alumni Relations

- Engage alumni in mentoring, networking events, and career panels.
- Create an alumni network for current students to assist with finding mentors and job opportunities.

8 Entrepreneurial Skills

- Provide resources and support for the students who want to start their businesses, including workshops on entrepreneurship and access to start up incubators.

09

Feedback and Improvement

- Keep collecting feedback from the employers and alumni regarding the effectiveness of the employability programmes.
- Adjustment and improvement of career services and support, based on feedback and changing industry trends.

10

Collaborative Research Project

- Joint research initiatives between academia and industry to address specific challenges and develop new technologies.

11

Guest Lectures and Workshops

- Industry professionals conduct lectures and workshops to provide real-world perspectives and insights.

12

Industry Mentors

- Industry professionals conduct lectures and workshops to provide real-world perspectives and insights.

13

Industry Visits

- Industrial visits offer students hands-on exposure to industry practices, interactive tours, and career insights. These visits connect classroom learning with real-world applications, featuring informative sessions and networking opportunities with professionals, enhancing both academic understanding and career readiness.

Career EXCELLENCE

ENHANCE YOUR **EMPLOYABILITY**

Do you know we are among the top 10 colleges for **Employability**.

You are in safe hands at **Vishveshwarya Campus**, where you need to give a great start to your career.

WAYS TO HELP THE STUDENTS GAIN SUCCESS

1

Enhance Career Counselling and Development

- **Career Counselling:** Continuous contact with career counsellors for individual advice and planning.
- **Resume Building:** Conduct sessions on how to write a strong resume and craft good cover letters; further, conduct sessions on how to make the profile on LinkedIn stronger.
- **Interview Preparation:** Arrange mock interviews first and then provide feedback to students on how to face an interview in practical life.

3

Skill Development

- **Seminars and Workshops:** Conduct seminars and workshops on technical skills, coding, data analysis, communication, leadership
- **Certification:** Encourage students to get certified from the relevant field to add more credible qualifications on the CV to get better placements.

2

Provide for Industry Exposure and Internship

- **Industry Internship Opportunities:** Tie-ups with companies to offer students internships that provide practical hands-on learning.
- **Industrial Visits:** Offer students hands-on experience, interactive tours, and career insights, bridging classroom learning with real-world applications and enhancing both academic knowledge and career readiness.

4 Enhance Networking Opportunities

- **Networking Events:** Organize and conduct networking events and career fairs to expose the student to the networking of representatives in the industry and experts who can become possible mentors or employers.
- **Alumni Network:** Connect to its alumni base for mentorship and networking.

6 Development of Personal Skills

- **Soft Skill Training:** Train them in crucial soft skills-like time management, communication, and problem-solving.
- **Mental Health Support:** Make available counselling facilities and information on how to handle stress and maintain mental health.

8 Financial Literacy and Management

- **Financial Literacy :** Offers workshops related to the management of finances, budgeting, and student loans.
- **Scholarships :** Information is given on scholarships, grants, along with various financial aids to the students.
- **Lifelong Learning :** Promote the value of lifelong learning and advise students to look beyond class work for other opportunities to learn.
- **Self-Assessment :** Train students on how to continually appraise their abilities, set targets, and obtain feedback for improvement.

5 Research and Projects Support

- **Research Projects :** Support the students in undertaking research and presenting it in conferences or competitions.
- **Practical Projects:** Students can work on real-life projects, which improve them in their ability to solve problems and to apply their knowledge in real-life situations.

7 Research and Projects Support

- **Student Services :** Avail student services-including academic advising, financial aid, and housing-to students.
- **Feedback Loops :** Create a structure that allows students to provide feedback on their overall academic and campus experience, ensuring that student support is always evolving.

96.3%

Alumni get into work or further studies, within six months of finishing their course thus placing us in top 10 colleges of Delhi-NCR for employability.

INDUSTRIAL VISIT

Industrial Visits : Bridging Classroom and Industry

Experience Real-World Learning

Our Industrial Visit program offers students a unique opportunity to step out of the classroom and into the heart of the industry. By visiting leading companies and facilities, students gain first-hand exposure to cutting-edge technologies, industry practices, and professional environments.

Key Benefits

- **Hands-On Learning:** Witness how classroom theories are applied in real-world scenarios and gain practical insights that enhance academic understanding.
- **Expert Interaction:** Engage with industry professionals and leaders, gaining valuable career advice and insights into emerging trends and opportunities.
- **Career Exploration:** Explore various roles and functions within the industry, helping to clarify career goals and interests.
- **Skill Development:** Develop essential skills such as problem-solving, teamwork, and communication through direct experience and observation.
- **State-of-the-Art Facilities:** Discover the latest technologies and innovative practices being utilized in the field.

Enhancing Education Through Experience

Our industrial visits are designed to complement academic learning with practical exposure, ensuring that students are well-prepared for their future careers. By integrating real-world experiences with classroom knowledge, we provide a comprehensive educational experience that fosters both personal and professional growth.

Join Us and See the Future

Embark on an industrial visit to experience the dynamic world of industry and see how your studies come to life. Our program is a vital part of our commitment to providing a well-rounded education that prepares students for success in their chosen fields.

SOME OF OUR RECRUITERS

COMPANY VISITED

...

AND MANY MORE...

JOB

OPPORTUNITIES @ VISHVESHWARYA

1

The idea of organizing and executing **MEGA JOB FAIR** with the Ministry of Labour and Employment and Employment Office G.B. Nagar, Vishveshwarya Campus was able to turn the dream of employment into reality for the youth.

2

Vishveshwarya Campus central focus related to the **grooming of the students** is not only about scoring marks but also about gaining the required contemporary exposure.

3

The vast premises of Vishveshwarya Campus witnessed the footfall of more than **15000 candidates** desiring the job, and there were more than **107 companies**.

4

The students had wide exposure to interview interactions with reputed companies like **Bajaj Capital, Honda Power, Bajaj Motors, AIR India, Ashok Leyland, and Okaya Power**. These are just a few among many renowned companies that successfully picked up the desired talents.

5

The presence of dignitaries like **ADM Dr. Nitin Madan, DCP Mr. Saad Miyan Khan, Chief Development Officer Mr. Tej Pratap Mishra**, the very popular **political representative Mr. Tejpal Singh Nagar, MLA Dadri**, added an extra glare of enthusiasm and motivation to the whole event.
