Notice (Induction Programme for First Year Students of AY 2025-26)

All students of B.Tech First Year from all branches—**C&E, CS- AIML, CS-Data Science, CS- CYBS, Mechanical Engineering, Electrical Engineering, Electronics and Communication Engineering, and Civil Engineering**—are hereby informed that the **Induction Programme** for AY 2025-26 will be conducted from **2nd August, 2025 onwards**.

The induction programme is a very important and essential part of your academic journey. It is specially designed to help students smoothly transition into professional education and adapt to the new environment of technical learning.

This programme will help students to:

- Understand the perspective and scope of technical education
- Develop a humanitarian approach towards society
- Enhance critical thinking and problem-solving skills
- Learn the concepts of design thinking and innovation
- Build empathy, teamwork, and communication skills
- Get familiar with campus facilities, faculty, and academic structure
- Participate in interactive sessions, workshops, and group-activities
- Explore personal growth, ethics, and professional values

All students are **required to attend the programme regularly** and actively participate in all sessions. This marks the beginning of your journey towards becoming a skilled and responsible professional.

“The future belongs to those who are willing to learn, adapt, and grow.”

We warmly welcome you to begin this exciting new chapter of your life.

**Institutes/Colleges are advised to arrange the Internship / Mini Project (After Even Semester Exam of session 2025-26) in hybrid mode so that their classes are not affected.

IMPORTANT NOTES:-

- The institute shall ensure minimum teaching hours as prescribed in the University ordinances for each semester. If required, the Director/Principal shall arrange extra classes, on weekends/holidays in online mode.
- The Institute should ensure that at least two class tests are conducted after completing 1/3rd & 2/3rd syllabus respectively. All students will be required to appear in both first- and second-class tests. If, for any reason beyond the control of students such as illness, tragic incident in family, the student fails to appear in any test, it will be the responsibility of the Principal/Director of the Institute to arrange make up class test for such students. If the student fails to appear in first class test, his makeup class test will be conducted before second class test and in case of second-class test at least one month before the start of end semester theory examination. The duration of class test will be minimum one hour for each class test, 70% attendance at 1st test and 75% attendance at second class test is required. In case attendance is short, parents be informed accordingly on monthly basis.
- The Director/Principal of Institute shall ensure the submission of attendance of students regularly through Attendance Monitoring System (AMS) of the University and shall ensure that no student is allowed to appear in the examinations who has not attained the minimum required attendance as per norms prescribed in relevant ordinances. It will be obligatory on the part of the Director/Principal of the Institute to detain such students and their admit cards will not be issued to them. A list of students detained from appearing in University Examination(s) be submitted to their Examination center before the commencement of the theory examination.
- The teachers who are assigned evaluation duty during vacation shall be entitled for earned leave as per rules and duty leave for other examination related works assigned by the University.
- The loss of syllabus for the newly admitted third semester B. Tech. & B. Pharma students has to be COMPULSORILY made up by the institutes by conducting extra classes in early morning/late evening/Sunday/holidays.
